

CURRAN & CONNORS

# At a Glance

Full-service strategic creative agency with over **55 years** of experience specializing in corporate reports.

Unique one-stop firm providing our clients with **writing, strategy and design** services to tell their story in the most effective way possible through our reports such as annual reports, sustainability and CSR reports, proxy statements, investor presentations, websites, digital solutions and branding.

## What some people do annually, *we do every day.*

We believe business objectives propel creative design and messaging. By merging the best of business and design, we bring your stories to life. “Where creativity and strategy meet” is not just our tagline, it’s our driving purpose.
