Ronkonkoma, New York, November 11, 2020—Curran & Connors, Inc. (C&C), a leading producer of corporate reports, digital solutions and corporate branding, was a big winner in the Graphic Design USA (GDUSA) American Graphic Design Awards™ Competition, a business-to-business information source for graphic design professionals. This is an awards competition open to all creative professionals across all types of media. C&C is pleased to share that our team won 19 awards on behalf of our clients.

“We are incredibly pleased with this honor from GDUSA. While we don’t design with the purpose of winning awards, we take great pride in sharing this news with our clients,” said Jeff Brandi, Chief Creative Officer, Curran & Connors. “The number of pieces receiving awards is a testament to the diverse creative capabilities and talents of our design team. On behalf of our designers, account execs, and the entire support team who work so hard every day to make this happen, we greatly appreciate the recognition.”
